PLEASE READ CAREFULLY

I consent to Myotherapy/Remedial Massage treatment. I understand and agree that the modalities involved in the session may leave me with post-treatment tenderness, which should be short-lived.

I understand and agree to the best of my knowledge that I have provided the Practitioner with all the relevant information about my health and medical history. I intend this consent to apply to all my present and future Myotherapy/Remedial Massage care.

I the undersigned party, understand that I am financially obligated for any and all fees charged, with the understanding that the clinic is willing to prepare accounts, receipts, forms and reports as may be necessary to enable me to obtain reimbursement from health funds and insurers.

I give consent for the practitioners of Untangled Living to obtain radiology examinations and reports that may assist in the treatment of my condition. We may disclose your health information to other health care professionals, or require it from them if, in our judgment, that is necessary in the context of your treatment.

Your medical history and any records relevant to your treatment will be kept here. You may inspect or request copies of our records of your treatment at any time.

Your health care is our priority, though if you are unable to attend your appointment, we would like to offer this time to other patients, as we regularly develop a cancellation list. If sufficient notification is not given, you will be charged for the full fee of the missed or cancelled appointment.
